If you are unfamiliar with the Mexican food, please read our food descriptions. With your permission, we suggest one of our Special Dinners. Not for the price, but because they are all consistent with your convenience- some of everything. Not all Mexican food is spicy. All of our dishes are meticulously prepared with an authentic yet mild flavor. For those who like it spicy, we put a dish of Hot Sauce on the table. Let us introduce you to real Mexican food.

Thank You!
